

CONFIDENTIALITY

**What is not seen,
can still be heard.**

The right to confidentiality is...

**Think before you speak,
speak to the right person,
at the right time and
in the right way.**

The right to confidentiality is...

**Think before you speak
to respect confidentiality.**

The right to confidentiality is...

Think before you speak.

The background of the slide features a scenic park setting. On the left, a white gazebo with a red dome and a small cupola sits on a stone base near a body of water. The trees are in autumn, with yellow and orange leaves. In the bottom left corner, a small yellow bird is perched on a branch. The overall scene is bright and pleasant.

The right to confidentiality is...

**Find an appropriate location
to discretely discuss the health
of the residents.**

The background of the slide features a scenic park setting. On the left, there is a white gazebo with a red dome and a small cupola on top, situated on a stone platform overlooking a body of water. The trees in the background are in autumn, with many leaves turned yellow and orange. In the bottom left corner, a small yellow bird is perched on a branch. The overall scene is bright and clear.

The right to confidentiality is...

**Do not take a photo or video
of a resident without their
residents' consent of
their legal representative.**

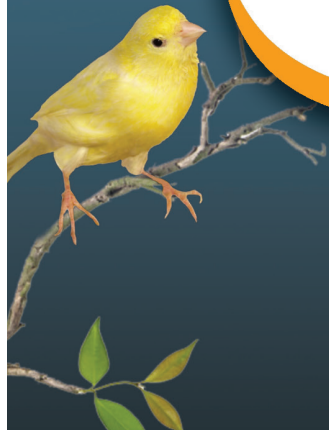

CONFIDENTIALITY

**Within the course of our work,
we make a responsible use of
all information with respect to
the laws, rules, and procedures
concerning the security
of information.**

CONFIDENTIALITY

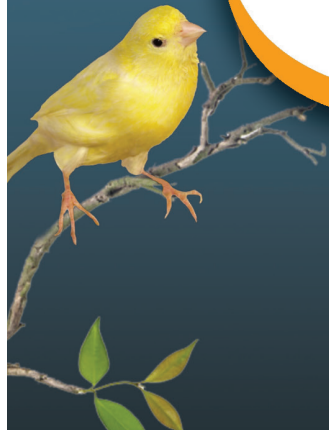

**We respect confidentiality
and assure the integrity
of the information that is
confided in us.**

(Vigi Santé's Code of Ethics)

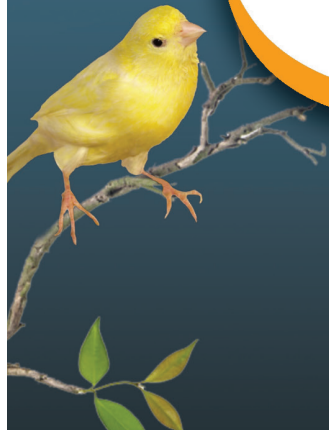

CONFIDENTIALITY

Professionnals only have access to information that is relevent and pertinent to their roles.

CONFIDENTIALITY

**If the walls have ears and
what is being said is uncertain,
why say it...**

CONFIDENTIALITY

Silence is a virtue.
